

Everything we read in the Bible IS TRUE.

Some things we read about seem normal — how a person is born or how a king led his people. But every so often, you'll come across something that seems really weird — like what once happened to David.

You might remember David as the teenager who killed the giant Goliath. You might remember him as a shepherd who wrote many songs or psalms about God. Maybe you remember him as a mighty king. But you might not remember that he was a quick thinker. First Samuel, one of the books in the Old Testament, gives us all of the details.

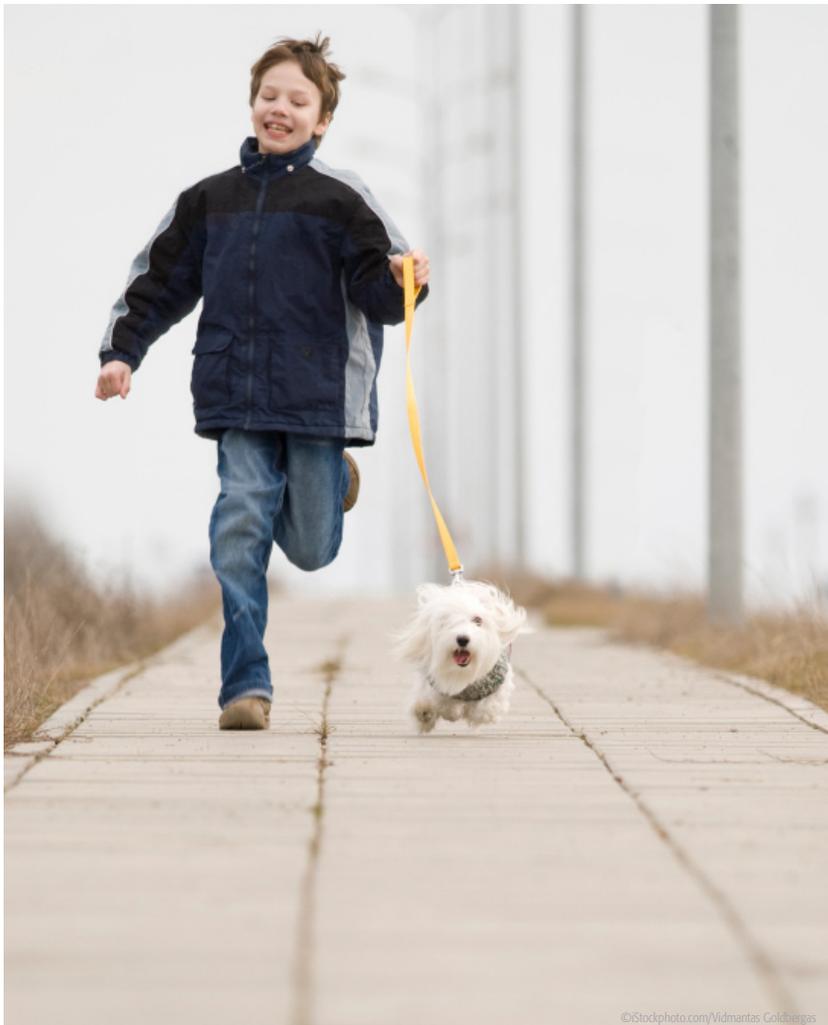

Many of the people that should have loved King Saul loved David instead. Because King Saul got jealous of the attention and love David had from the people, Saul wanted to kill him. David decided to leave town and visit Achish, the king of Gath. While he was talking to some people there, Achish's servants recognized David. They pointed at him and said, "Isn't that David, the one everyone loves more than Saul?"

David became afraid so he pretended to be a crazy person. He let spit fall from his lips into his beard. David also went up to the doors and started scratching them like an animal. He grunted like a madman.

When Achish came out and saw David, he told his servants to let the guy go. "Why did you bring a crazy man to me?" Achish said. "This can't be David."

The servants let David go and he escaped. God protected David again! 

God sees you
ALL
the time.

Did you know that God knows where you are at every second in the day? He sees you wake up and eat. He sees you brush your teeth and walk the dog. He knows when you didn't get the color crayon you wanted. He knows when you don't eat all of your vegetables. He knows when you hurt. He knows when you are happy. **God sees you all the time.**

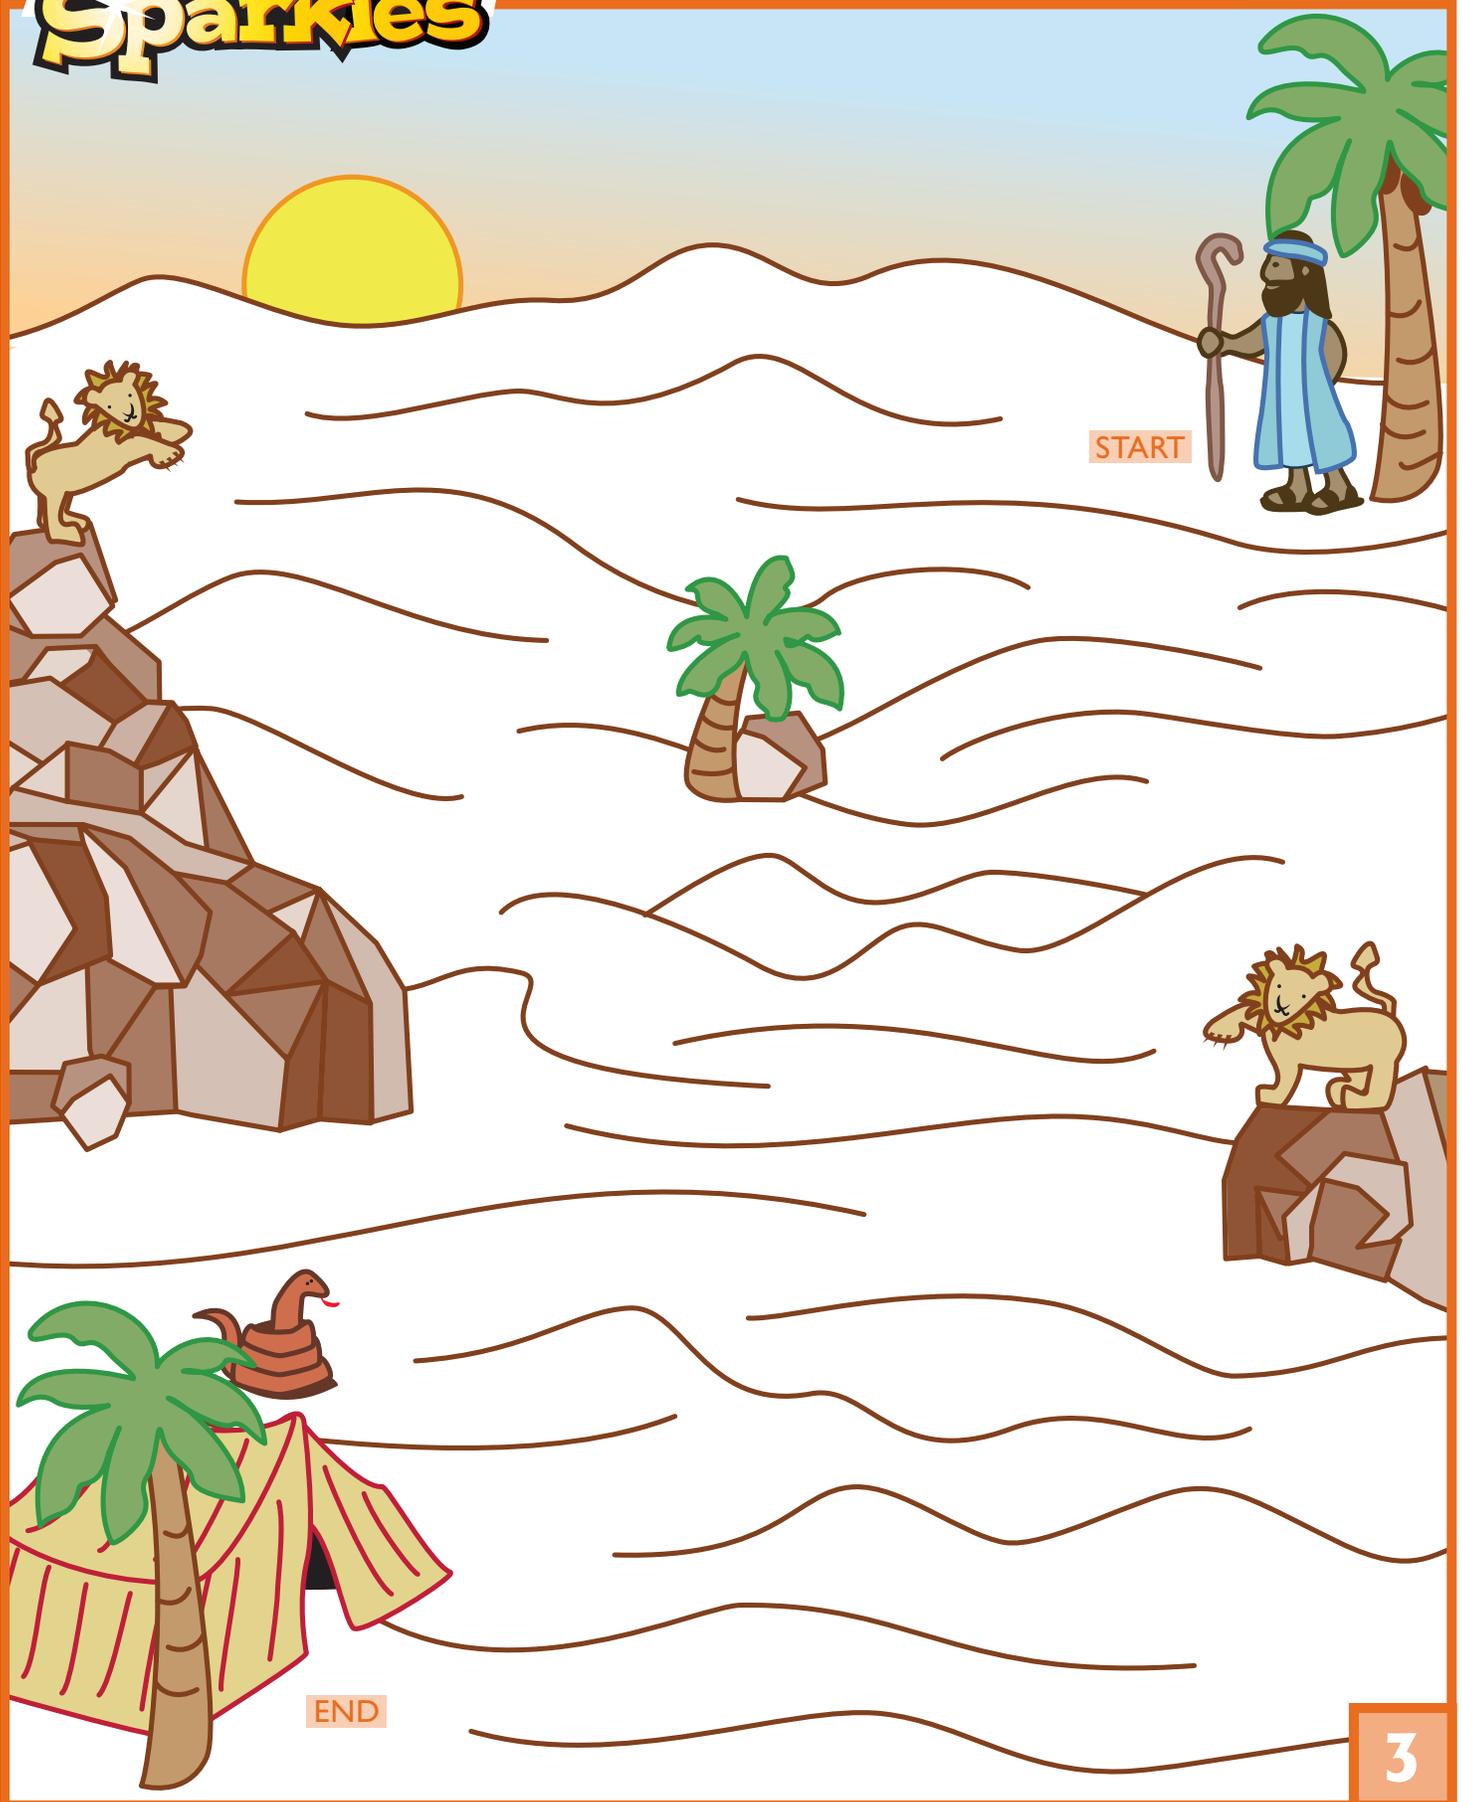

And God promises to be with us all the time. No matter how hard or sad things are, He will give us the comfort and strength and wisdom to get through any problem.

Draw a picture on the back of this sheet of paper of something you did today that God saw you do.

Help David make it through the wilderness!
Can you get David safely home without
passing by a lion or snake?
